-

Who will issue your certificate?

Once you've completed your study with Speciss College and passed the LCCI exams, you'll receive the

The London Chamber of Commerce and Industry (LCCI) is an internationally renowned examining body. LCCI has over 100 years of experience in providing an extensive range of excellent qualifications that equip you for the world of work. An LCCI qualification opens doors for you in the financial, marketing, customer services, business and a range of other careers. Every year, around 250 000 candidates choose LCCI qualifications to help them further their careers. You can find out more about LCCI qualifications on our website.

Entry requirements for this course

To qualify for this LCCI course and take the first steps to your new career, you must have 5 "O" levels in English, Mathematics and Science.

Alternatively, you must be working on, or have worked in, the fields of bookkeeping, accounts or finance.

What you will learn

Here are the subjects you'll study in the LCCI Accounting Diploma. You must pass 3 subjects, including

- Financial Accounting
- Cost and Management Accounting
- Management Accounting
- Advanced Business Calculations
- Business Statistics

What exams will you write?

Exams are held in April, June and November each year for all subjects. Exams are set and marked by LCCI.

Information on the exam fees can be obtained from the Examinations Officer or from the LCCI website.

You can contact LCCI at the following addresses:
