# 2024 HIGHLIGHTS

CHITEPO CAMPUS

# Graduation Ceremony

The campus held its annual graduation ceremony on 1 November 2024 where 80 graduates received certificates and diplomas and Advanced Diplomas in various disciplines from examination bodies that include Association of Business Managers and Administrators (ABMA), City & Guilds, International Air Transport Association (IATA), Institute of Commercial Management (ICM), NCC Education, Speciss College. The Guest of Honor was Ms Gamuchiral Rachel Chisamba, a creative director in the media industry. She highlighted the importance of the different skills acquired by the graduates in moving commerce and industry forward. She encouraged the graduates to make positive contributions to the development of the country and society in general.

## Outstanding Performers

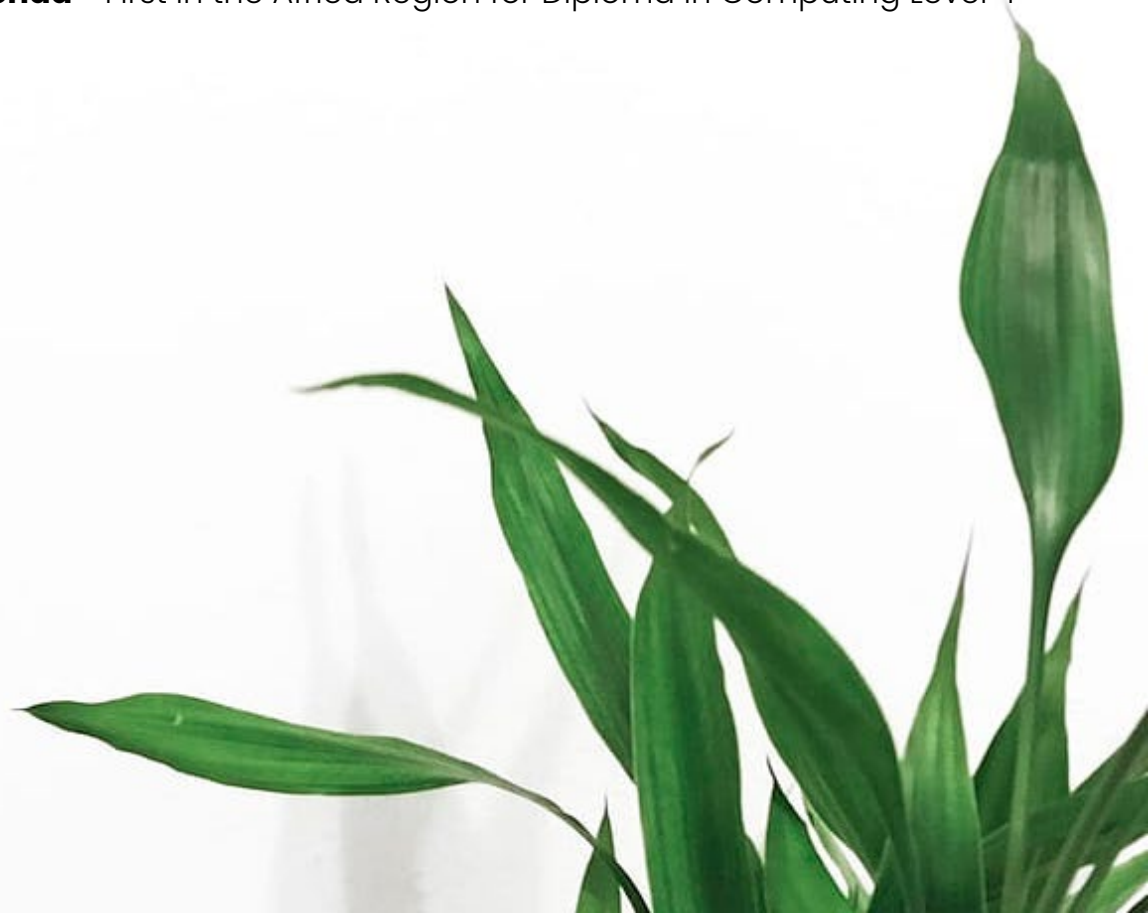

Four students were recognised by their examination bodies for achieving outstanding examinations results .

### **Association of Business Managers and Administrators (ABMA)**

- **Simbarashe Tedmore Charuma** - Overall First in the World for Business Management Diploma Level 4
- **Andrew Hama Mutamiri** - First in the World for 4 subjects out of 5 for Computing and Information Systems Certificate Level 3

### **NCC Education**

- **Anesu Tanyaradzwa Ngombe** - First in the Africa Region for Diploma in Computing Level 5
- **Emmanuel Kwenda** - First in the Africa Region for Diploma in Computing Level 4

# Chitepo High School Sports and Clubs

The High School students were very active in sporting and clubs activities during the year. The HS participated in the inter-campus sports competition with the Technical Campus and Chitungwiza Campus. Although first and second positions eluded them, it was an enjoyable day for all students and staff.

The Green Club was very active and participated in an Environmental competition where it came first. The club was presented with prizes at a ceremony that was held at Harare High School and presided over by the Minister of Primary and Secondary Education.

---

## The Study Centre

---

held successful "O" and "A" Level holiday examination preparation classes in April and August. A lot of interest was in the Science Practical classes.

---

## The Business School and Computer and Secretarial School

---

continued with offering the various qualifications examined by the different examination bodies. Overall the students did well in their examinations, including the outstanding achievers mentioned above.

In response to an identified need the Chitepo campus introduced a City & Guilds Light Motor Vehicles Maintenance qualification at certificate level. This will be developed to diploma level and there are plans to introduce other practical qualifications.
